Pomme “Pick 3” Outing

September 26, 2009

6:30 AM to 1 PM

Meet at State Park Marina by 6:15 AM for check-in

Meet for lunch and prizes at 1 PM

Some days it's better to have just a few great muskie lures with you than a boatload of choices. Let's hope September 26th is one of those days at Pomme de Terre!

The Pomme de Terre Chapter is hosting a Pick 3 Outing on September 26th. **Each angler is limited to just 3 lures and can only use the 3 lures they designate before the start of fishing that morning!** If there are 2 anglers in the boat there can be a maximum of 6 lures in the boat. You can bring extra hooks, split rings, leaders, etc. but just 3 lures. Pick wisely when you clean out your boat.

The Pick 3 Outing is limited to Muskies, Inc. members, but each Pomme Chapter member can bring one non-member guest if they desire. Hopefully by the end of the outing any guests will decide to join our chapter.

The “entry fee” is one used muskie lure per person (lure must be in very good to excellent condition) plus \$5 to cover lunch. The lures will be the prizes at the end of the fishing period. After 1 PM folks can load their massive tackle boxes back in their boats if they need a different “secret” bait.

If you are interested in fishing this outing please notify Kevin or Wayne. More details to come. See you in September!

The design engineers at US REEL have perfected a totally new concept in bait casting reels. These unique reels do not utilize a level wind. You have to and cast this reel to believe the improvement. Our new SUPERCASTER series of bait cast reels is currently being introduced into the US market. We are in the process-of organizing a US REEL Field Pro Staff Input from our field pros will be a very important element to this and future introductions.

We are quite serious about this program. I need to get you guy's onboard with this effort. US REEL would like to offer you, and each of your members, an opportunity to own 2 of these new SuperCaster Series reels and to become members of our Field ProStaff. We will also include a US REEL Pro-style tournament shirt, cap and boat decals. The retail value of these items is normally \$591. Our Field ProStaff cost has been reduced to \$179. Pro-staff anglers who prefer spinning reels can choose the option that includes 2 SuperCaster spinning reels, a \$441 value for just \$129. Due to retail commitments this offer is valid for only 60 days from the date of this letter. . .

Perhaps you are waiting for a catch. Here it is! We must require honest input as a ProStaff member regarding these reels. The forms will be made available on-line and a dedicated e-mail address to submit them. We will only request at least 1 monthly report for 3 months. That's the catch! We want to be the best fishing tackle supplier and we want everyone to know it. You can help us achieve that goal. As you can see, our investment in each new member is significant. We must limit membership in this national program to a first come basis.

To view and learn more details about these reels please check out our site or view our new video at www.usreel.com. Once 5 or more of your club members have elected to participate in our Field ProStaff, US REEL will supply 1 additional Super Caster 1000 reel as a gift to your club. If you have any questions, please give me a call, 573-374-5602 or e-mail me at JackP@usreel.com.

Fish safely,

Jack Pieschl, ProStaff Director

What I know:

Go to the website and watch the video and read about the reels. They have two unique features:

1. Level wind but no eyelet for the line to run through.
2. The spool turns the opposite direction from all other spools on the market.

AH! Tis' finally October. I won't describe it you all know what it's like in the Ozarks in October. Three days of beautiful fishing weather and Muskie's. Hungry Muskie's feeding on fat shad. All gonna' come together on the 2nd, 3rd, and 4th. Of October. Remember no bass contest this year. This is a Muskie's club.

So best of luck to all as you practice C.P.R. **ROGER**
